QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a one-page notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to “Notice and Access” rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we are sending an Important Notice Regarding the Availability of Proxy Materials (the “Notice”) to our stockholders of record. Brokers and other nominees will be sending a similar Notice to all beneficial owners of stock who hold their shares through such broker or nominee. All record and beneficial stockholders will have the ability to access the proxy materials on the website referred to in the Notice free of charge or request to receive a printed set of the proxy materials for the Annual Meeting. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We expect that this Proxy Statement and the Notice will be mailed to stockholders on or about April 25, 2022.

How do I attend the Annual Meeting?

The 2022 annual meeting of stockholders (the “Annual Meeting”) will be held on Tuesday, June 7, 2022 at 11:00 a.m. (Central Time) in a virtual meeting format. You will not be able to attend the Annual Meeting in person. At our virtual Annual Meeting, stockholders will be able to attend, vote and submit questions via the internet. You will need your 16-digit control number included on the Notice, on the proxy card or in the instructions that accompanied the proxy materials to enter the Annual Meeting. You may log into the virtual meeting platform beginning at 10:45 a.m. (Central Time) on June 7, 2022.

Whether or not you plan to attend the Annual Meeting, we urge you to vote and submit your proxy in advance of the Annual Meeting by one of the methods described in these proxy materials.

Information on how to vote at the Annual Meeting is discussed below.

Can I ask questions at the virtual Annual Meeting?

Stockholders as of our Record Date who attend and participate in our virtual Annual Meeting will have an opportunity to submit questions via the internet during a designated portion of the Annual Meeting. Stockholders will be limited to no more than two questions per person.

What if I have technical difficulties during the meeting or trouble accessing the virtual Annual Meeting?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting. If you encounter any difficulties accessing the virtual meeting during check-in or the meeting, please call the technical support number that will be posted on the virtual meeting platform log-in page.

Who can vote at the Annual Meeting?

Only validated stockholders at the close of business on the Record Date of April 11, 2022, will be entitled to vote at the Annual Meeting. On the Record Date, there were 20,487,921 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on April 11, 2022, your shares were registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy over the telephone or on the internet as instructed below (see "*How do I vote?*") or, if applicable, complete, date, sign and return the proxy card mailed to you to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Nominee, and Plan Shares

If, on April 11, 2022, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being sent to you by the organization that holds your account. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee regarding how to vote the shares in your account. The deadline for submitting your voting instructions to your broker, bank or other nominee is listed on the notice sent to you. You are also invited to attend the Annual Meeting and should follow the instructions from your bank or broker on how to gain admittance and vote or ask questions.

What am I voting on?

There are two matters scheduled for a vote:

- Election of two Class I directors to serve until the 2025 annual meeting of stockholders and until their successors are duly elected and qualified; and
- Ratification of the appointment of Grant Thornton LLP ("Grant Thornton") as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2022.

What if another matter is properly brought before the Annual Meeting?

The Board of Directors of the Company (the "Board") knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares for which you grant your proxy on those matters in accordance with their best judgment.

What is the Board's voting recommendation?

The Board recommends that you vote your shares:

- "For" the election of the two nominees for director; and
- "For" the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2022.

How do I vote?

With regard to the election of directors, you may either vote "For" the nominees or you may "Withhold" your vote for the nominees you specify. For any other matters to be voted on, you may vote "For" or "Against" or abstain from voting.

The procedures for voting depend on whether your shares are registered in your name or are held by a bank, broker or other nominee:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet, or vote by proxy using a proxy card provided by us. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the virtual Annual Meeting and vote even if you have already voted by proxy. Voting at the Annual Meeting will have the effect of revoking your previously submitted proxy (see "*Can I change my vote after submitting my proxy?*" below).

- By Internet** If you received the Notice or a printed copy of the Proxy Materials, follow the instructions in the Notice or on the proxy card.
- By Telephone** If you received the Notice or a printed copy of the Proxy Materials, follow the instructions in the Notice or on the proxy card.
- By Mail** If you received a printed copy of the Proxy Materials, complete, sign, date, and mail your proxy card in the enclosed, postage-prepaid envelope.
- In Person (Virtual)** You may also vote in person virtually by attending the Annual Meeting through www.virtualshareholdermeeting.com/CVRX2022. As described above, you need the 16-digit control number on your Notice or proxy card to access the virtual meeting platform.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Nominee

If you hold your shares through a broker, bank or other nominee (that is, in street name), you will receive a Notice from your broker, bank or nominee that include instructions that you must follow in order to submit your voting instructions and have your shares voted at the Annual Meeting.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 11, 2022, the Record Date.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card, or otherwise vote, without marking voting selections, your shares will be voted, as applicable, "For" the election of the two nominees for Class I director and "For" the ratification of Grant Thornton as the Company's independent registered public accounting firm. If any other matter is properly presented at the Annual Meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Will my vote be kept confidential?

Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed, except as required by law.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways on or before the close of voting for the Annual Meeting:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent timely proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Secretary, CVRx, Inc., 9201 West Broadway, Suite 650, Minneapolis, Minnesota 55445; provided, however, if you intend to revoke your proxy by providing such written notice, we advise that you also send a copy via email to ir@cvrx.com.

- You may attend and vote at the Annual Meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted, so long as it is provided within the applicable deadline. If your shares are held by your broker, banker or other nominee, you should follow the instructions provided by your broker, bank or other nominee to change your vote or revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count votes “For,” votes to “Withhold” and broker non-votes for the proposal to elect directors and, with respect to each other proposal, votes “For,” votes “Against,” votes to “Abstain” and broker non-votes (if applicable).

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other nominee holding the shares as to how to vote on “non-routine” proposals. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker, bank or other nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker, bank or other nominee can still vote the shares with respect to matters that are considered to be “routine” under applicable rules but cannot vote the shares with respect to “non-routine” matters. On non-routine proposals, any “uninstructed shares” may not be voted by the broker, bank or nominee and are considered to be “broker non-votes.” Only the proposal to ratify the appointment of our independent registered public accounting firm is considered a “routine” matter for this purpose and brokers, banks or other nominees generally have discretionary voting power with respect to such proposal. Brokers, banks and other nominees do not have authority to vote on the election of directors without voting instruction from the beneficial owner. Broker non-votes will be counted for the purpose of determining whether a quorum is present at the Annual Meeting.

How many votes are needed to approve each proposal, what are the voting options, how does the Board recommend I vote and what is the effect of an withhold/abstention or broker non-vote?

Proposal	Vote Required	Voting Options	Board Recommendation	Broker Discretionary Voting Allowed?	Effect of Withhold/Abstention	Effect of Broker Non-Vote
No. 1. Election of Directors – Two Nominees	Plurality	“For” or “Withhold”	“For”	No	None	None
No. 2. Ratification of the Appointment of Grant Thornton as the Company’s Independent Registered Public Accounting Firm	Majority of Shares Present or Represented by Proxy	“For,” “Against” or “Abstain”	“For”	Yes	Against	N/A

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid stockholder meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote generally in the election of directors are represented in person or by proxy at the Annual Meeting. On the Record Date, there were 20,487,921 shares outstanding and entitled to vote. Thus, the holders of at least 10,243,961 shares must be in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy by mail, over the phone or through the internet (or one is submitted on your behalf by your broker, bank or other nominee)

or if you vote at the Annual Meeting. Abstentions, votes to “Withhold” and broker non-votes will be counted towards the quorum requirement.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file with the SEC within four business days after the Annual Meeting.

Who is paying for this proxy solicitation?

The accompanying proxy is solicited on behalf of the Board for use at the Annual Meeting. Accordingly, the Company will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees of the Company will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other nominees for the cost of forwarding proxy materials to beneficial owners.

How can I access the list of stockholders entitled to vote at the Annual Meeting?

A complete list of stockholders of record on the Record Date will be available by request to ir@cvrx.com for examination at our corporate offices by any stockholder for any purpose germane to the Annual Meeting for a period of 10 days prior to the Annual Meeting. To access the list during the Annual Meeting, please follow instructions on the virtual platform.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all your shares are voted.

When are stockholder proposals for inclusion in our Proxy Statement for next year’s annual meeting due?

Stockholders wishing to present proposals for inclusion in our Proxy Statement for the 2023 annual meeting of stockholders (the “2023 Annual Meeting”) pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), must submit their proposals so that they are received by us at our principal executive offices no later than December 26, 2022. Proposals should be sent to our Secretary at 9201 West Broadway, Suite 650, Minneapolis, Minnesota 55445.

When are other proposals and stockholder nominations for the 2023 Annual Meeting due?

With respect to proposals and nominations not to be included in our Proxy Statement pursuant to Rule 14a-8 of the Exchange Act, our Amended and Restated By-Laws (our “By-Laws”) provide that stockholders who wish to nominate a director or propose other business to be brought before the stockholders at an annual meeting of stockholders must notify our Secretary by a written notice, which notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding year’s annual meeting of stockholders.

Stockholders wishing to present nominations for director or proposals for consideration at the 2022 Annual Meeting under these provisions of our By-Laws must submit their nominations or proposals so that they are received at our principal executive offices not earlier than February 7, 2023 and not later than March 9, 2023 in order to be considered. In the event that the 2023 Annual Meeting is to be held on a date that is not within 30 days before or 60 days after the one-year anniversary of the Annual Meeting, then a stockholder’s notice must be received by the Secretary no earlier than 90 days prior to such annual meeting and no later than the tenth day following the day on which we make a public announcement of the date of the 2023 Annual Meeting.

Nominations or proposals should be sent in writing to our Secretary at 9201 West Broadway, Suite 650, Minneapolis, Minnesota 55445. A stockholder's notice to nominate a director or bring any other business before the Annual Meeting or the 2023 Annual Meeting must set forth certain information, which is specified in our By-Laws.

EMERGING GROWTH COMPANY EXPLANATORY NOTE

We completed our initial public offering in July 2021. We are an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act").

For as long as we continue to be an emerging growth company, we may take advantage of exemptions from various reporting requirements that are applicable to other public companies but not to "emerging growth companies," including, but not limited to:

- not being required to comply with the auditor attestation requirements in the assessment of our internal control over financial reporting under Section 404 of the Sarbanes-Oxley Act;
- not being required to comply with any requirement that may be adopted by the Public Company Accounting Oversight Board regarding mandatory audit firm rotation or a supplement to the auditor's report providing additional information about the audit and the financial statements;
- reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements; and
- exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

We could be an emerging growth company until the last day of the fiscal year following July 2, 2026, the fifth anniversary of the closing of our initial public offering, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1 billion, (ii) the date that we become a "large accelerated filer" as defined in Rule 12b-2 under the Exchange Act, which would require, among other things, that we have been a public company for at least twelve months and would occur at the end of the fiscal year during which the market value of our common stock held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three-year period. Under Section 107(b) of the JOBS Act, emerging growth companies may delay adopting new or revised accounting standards until such time as those standards apply to private companies.

Because we have elected to take advantage of certain reduced disclosure obligations and may elect to take advantage of other reduced reporting requirements in future filings, the information that we provide to our stockholders may be different than you might receive from other public reporting companies in which you hold equity interests.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The Board is presently comprised of eight members; however, Mr. Geoff Pardo, a current Class I member of the Board, is not standing for re-election at the Annual Meeting. Accordingly, the Board has set the number of directors that will constitute the Board as of the Annual Meeting at seven. The Board is divided into three classes, designated as Class I, Class II and Class III. One class of directors is elected by the stockholders at each annual meeting to serve from the time of their election until the third annual meeting of stockholders following their election and until their successor is duly elected and qualified. Class I directors, with a term expiring at the Annual Meeting, consist of Messrs. Ali Behbahani, Geoff Pardo, and Nadim Yared.

The Nominating and Corporate Governance Committee has recommended, and the Board has approved, the nomination of our other two Class I directors, Messrs. Behbahani and Yared, for re-election for three-year terms expiring at the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualified, or, if sooner, until the director's death, resignation or removal. Each of these nominees is currently a director of the Company.

Proxies cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement. If any nominee should become unavailable to serve for any reason, it is intended that votes will be cast for a substitute nominee designated by the Nominating and Corporate Governance Committee and approved by the Board. We have no reason to believe that any nominee named will be unable to serve if elected.

Martha Shadan has served as a director on the Board since July 2021. Ms. Shadan has served as President and Chief Executive Officer of Miach Orthopaedics, a developer of bio-engineered surgical implants for

connective tissue restoration, since January 2019. From September 2018 to December 2018, Ms. Shadan served as Global Vice President of Marketing at Smith & Nephew plc, a multinational medical equipment manufacturer, a role she assumed after the company acquired Rotation Medical, a medical device company focused on regenerative shoulder repair treatment, where she was President and Chief Executive Officer. Ms. Shadan led Rotation Medical through FDA approval and commercialization of the Rotation Medical Bioinductive Implant for rotator cuff tears (now known as REGENETEN), as well as the company's acquisition by Smith & Nephew in December 2017. Prior to joining Rotation Medical in January 2013, Ms. Shadan served as President of the Trauma Division at Zimmer where she managed the P&L for the global business and Vice President/General Manager of Vascular Therapies and Vice President/General Manager of BioSurgery and Sports Surgery at Covidien, and she held various positions at Bristol Myers Squibb Co. and Merck Millipore. Ms. Shadan currently serves on the board of directors of AdvaMed, a trade association. Ms. Shadan received an M.B.A. from Northeastern University, a Master of Science in Biology from Michigan State University and Bachelor of Science in Biology from the University of New Hampshire.

CORPORATE GOVERNANCE

This section describes key corporate governance guidelines and practices that the Board has adopted. Complete copies of our Corporate Governance Guidelines, the charters of the committees of the Board and the Company's Code of Ethics and Conduct, described below, can be found in the Corporate Governance section of the Investor Relations section of our website at ir.cvr.com/investor-relations. Alternatively, you can request a copy of any of these documents free of charge by writing to our Secretary at 9201 West Broadway, Suite 650, Minneapolis, Minnesota 55445. Information on or accessible through our website is not incorporated by reference in this Proxy Statement.

Board Composition

The Board currently consists of eight directors. In accordance with our Amended and Restated Certificate of Incorporation, the Board is divided into three classes of directors serving staggered three-year terms. At each annual meeting of stockholders, the directors will be elected to succeed the class of directors whose terms have expired. The current directors are divided among the three classes as follows:

- Class I directors consist of Messrs. Behbahani, Pardo and Yared, whose terms expire at the Annual Meeting; however, Mr. Pardo is not standing for re-election at the Annual Meeting;
- Class II directors consist of Messrs. Nehra and Slattery, whose terms expire at the 2023 Annual Meeting; and
- Class III directors consist of Messrs. Jain and Nielsen, and Ms. Shadan, whose terms expire at the 2024 annual meeting of stockholders.

Only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective terms. Each director's term continues until the election and qualification of their successor, or their earlier death, resignation or removal.

Independence of the Board of Directors

The Board has affirmatively determined that all of the nominees and continuing directors, other than Mr. Yared, are independent directors within the meaning of the applicable Nasdaq listing standards and relevant securities and other laws, rules and regulations regarding the definition of "independent" (the "Independent Directors"). In making these determinations, the Board considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances that the Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and any transactions involving them described in the section titled "Certain Relationships and Related Party Transactions." There are no family relationships between any of the directors or executive officers.

Board Leadership Structure

The Board believes that it is important to retain the flexibility to allocate the responsibilities of the offices of Chairman of the Board and Chief Executive Officer and/or to appoint an Independent Lead Director in any manner that it determines to be in the best interests of the Company at any point in time. The Board reviews its leadership structure periodically as part of its annual self-assessment process. In addition, the Board continues to monitor developments in corporate governance as well as the approaches our peers undertake. The Company's Corporate Governance Guidelines provide that at any time when the Board is not led by an Independent Director serving as Chairman of the Board, the Independent Directors shall elect an Independent Director to serve as Lead Director.

Currently, there is not a Chairman of the Board; therefore, Mr. Nehra has been appointed to serve as the Independent Lead Director. The Board believes that the current Board leadership structure, with Mr. Nehra serving as the Independent Lead Director and Mr. Yared serving as the Chief Executive Officer, provides effective independent oversight of management. The Board's Independent Directors bring experience, oversight and expertise from outside of the Company, while Mr. Yared brings Company-specific experience, expertise and leadership.

The Company's Corporate Governance Guidelines provide that the Board's Independent Directors meet in executive session without non-Independent Directors or management present on a regularly scheduled basis, but no less than twice per year. The Board, including each of its committees, also has complete and open access to any member of the Company's management and the authority to retain independent advisors as the Board or such committee deems appropriate. In addition, all members of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee are Independent Directors, and the committee chairs have authority to hold executive sessions without management and non-Independent Directors present.

Role of the Board in Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing the management of the Company's risks. The Board is responsible for general oversight of risks and regular review of information regarding our risks, including credit risks, liquidity risks and operational risks. The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The Audit Committee is responsible for overseeing the management of risks relating to accounting matters, financial reporting, and compliance with legal and regulatory requirements. The Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of the Board and potential conflicts of interest. Although each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through discussions from committee members about such risks. The Board also encourages management to promote a culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Meetings of the Board of Directors

The Board oversees the Company's business. It establishes overall policies and standards and reviews the performance of management. During the fiscal year ended December 31, 2021, the Board held six meetings. Each Board member attended 75% or more of the aggregate meetings of the Board and of the committees on which they served held during the period for which they were a director or committee member. The Company's directors are encouraged to attend our annual meetings of stockholders, but we do not currently have a policy relating to director attendance. The Company did not hold a 2021 annual meeting of stockholders because it was not a publicly traded company prior to June 2021.

The Independent Directors meet from time to time in executive session without non-Independent Directors or management present at most regularly scheduled Board meetings or more often as determined appropriate by the Independent Directors.

Committees of the Board of Directors

The Board has a number of committees that perform certain functions for the Board. The current standing committees of the Board are the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities.

Audit Committee

The Audit Committee oversees our corporate accounting and financial reporting process and assists the Board in its oversight of (i) the integrity of the Company's financial statements, (ii) the independent auditor's qualifications, independence and performance, (iii) the Company's internal control over financial reporting and (iv) the compliance by the Company with certain legal and regulatory requirements. During 2021, the Audit Committee met four times.

The Audit Committee operates under a written charter and is responsible for, among other things:

- appointing, compensating, retaining and overseeing the work of our independent auditor and any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company;

- discussing with our independent auditor any audit problems or difficulties and management's response;
- pre-approving all audit and non-audit services provided to the Company by the independent auditor (other than those provided pursuant to appropriate preapproval policies established by the Audit Committee or exempt from such requirement under the rules of the SEC);
- reviewing and discussing with management and our independent auditor financial statements and management's discussion and analysis of financial condition and results of operations to be included in the Company's annual and quarterly reports to be filed with the SEC; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and for the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

The Board has affirmatively determined that Messrs. Nielsen, Pardo and Slattery meet the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. In addition, the Board has determined that Mr. Slattery is an "audit committee financial expert" as defined in Item 407(d) of Regulation S-K promulgated under the Securities Act. Each member of the Audit Committee is financially literate.

Compensation Committee

The Compensation Committee oversees the Company's compensation policies, plans and benefits programs. During 2021, the Compensation Committee met seven times.

The Compensation Committee operates under a written charter and is responsible for, among other things:

- reviewing and approving corporate goals and objectives with respect to the compensation of the Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of these goals and objectives and setting compensation;
- reviewing and setting or making recommendations to the Board regarding the compensation of the Company's other executive officers;
- reviewing and making recommendations to the Board regarding director compensation; and
- reviewing and approving or making recommendations to the Board regarding the Company's compensation plans, policies and programs.

The Compensation Committee consists of Messrs. Behbahani, Jain and Slattery, and Ms. Shadan, with Mr. Behbahani serving as the committee chair. The composition of the Compensation Committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Each member of this committee is a non-employee director, as defined in Section 16b-3 of the Exchange Act.

Compensation Committee Processes and Procedures

The implementation of the Company's compensation philosophy is carried out under the supervision of the Compensation Committee. The Compensation Committee charter requires that the Compensation Committee meet as often as it determines is appropriate to carry out its responsibilities. The Compensation Committee also meets regularly in executive session. Members of the Company's management, in addition to the Compensation Committee's independent advisors, may attend portions of the Compensation Committee meetings for the purpose of providing analysis and information to assist in making recommendations on various compensation matters. However, the Company's management does not participate in executive sessions of the Compensation Committee.

In connection with the Company's initial public offering and becoming a public company, the Compensation Committee engaged Aon as an independent advisor to the Compensation Committee. Aon conducted an analysis and provided advice on, among other things, the appropriate equity compensation for

our executive officers. For 2022, the Compensation Committee approved, with input from Aon, a peer group of comparable public companies, and Aon provided compensation information for those companies. The Compensation Committee considered this report when making its determinations regarding executive compensation for 2022.

The Compensation Committee, taking into account the various factors prescribed by Nasdaq regarding the independence of compensation consultants, has confirmed the independence of Aon as a compensation advisor and determined that retaining Aon does not result in any conflict of interest.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee oversees and assists the Board in reviewing and recommending director nominees. During 2021, the Nominating and Corporate Governance Committee met twice.

The Nominating and Corporate Governance Committee operates under a written charter and is responsible for, among other things:

- identifying individuals qualified to become members of the Board, consistent with criteria approved by the Board;
- recommending to the Board the nominees for election to the Board at annual meetings of the Company's stockholders;
- overseeing the self-evaluations of the Board and Board committees;
- overseeing the Company's programs, policies and practices relating to corporate responsibility and sustainability, including environmental, social and governance ("ESG") matters; and
- developing and recommending to the Board any proposed changes to the Company's Corporate Governance Guidelines and principles.

The Nominating and Corporate Governance Committee consists of Messrs. Behbahani, Jain, Nehra and Nielsen, with Mr. Nehra serving as chair. The composition of the Nominating and Corporate Governance Committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations.

Nominating and Corporate Governance Committee Process and Procedures

In connection with its nomination of directors for re-election at the Annual Meeting and periodically throughout the year, the Nominating and Corporate Governance Committee considers the composition of the Board and each Board committee to evaluate their effectiveness and whether changes should be considered. In support of this process, the Board has determined that the Board as a whole must have the right diversity, mix of characteristics and skills for the optimal functioning of the Board in its oversight of the Company. The Board considers the following factors and qualifications, without limitation:

- the knowledge, skills and experience of nominees, including experience in the industry in which the Company operates, business, finance, management or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- practical and mature business judgment;
- personal and professional integrity;
- ethics and values; and
- diversity (including, but not limited to, gender, race, ethnicity, age, experience and skills).

The Nominating and Corporate Governance Committee periodically reviews the composition of the Board in light of then-current challenges and needs of the Board and the Company and determines whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, skills, background and experience. Although the Nominating and Corporate Governance Committee does not have

a formal policy regarding diversity on the Board, the Nominating and Corporate Governance Committee is sensitive to the importance of nominating persons with different perspectives, backgrounds and experience to enhance the deliberation and decision-making processes of the Board.

All of the current Class I directors have been recommended to the Board by the Nominating and Corporate Governance Committee for reelection as directors at the Annual Meeting, and the Board has approved such recommendations.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serve, or in the past year have served, as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that has one or more of our executive officers serving on the board of directors or compensation committee. No interlocking relationship exists between any member of our Compensation Committee (or other committee performing equivalent functions) and any executive officer, member of the board of directors or member of the compensation committee (or other committee performing equivalent functions) and of any other company. We are party to certain transactions with certain of the stockholders and affiliates thereof as described in "Certain Relationships and Related Party Transactions."

Stockholder Recommendations to the Board of Directors

Stockholders who wish to recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates may submit the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o Secretary, 9201 West Broadway Avenue, Suite 650, Minneapolis, MN 55445. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Stockholder Communications with the Board of Directors

The Board's relationship with the Company's stockholders is an important part of the Company's corporate governance program. Engaging with the Company's stockholders helps the Board to understand how stockholders view it, to set goals and expectations for the Company's performance and to identify emerging issues that may affect the Company's strategies, corporate governance, compensation practices or other aspects of its operations. Stockholder and investor outreach includes investor road shows, analyst meetings and investor conferences and meetings. The Board also communicates with stockholders and other stakeholders through various media, including the Company's annual report and SEC filings, proxy statement, news releases and website. The Company's conference calls for quarterly earnings releases are open to all. These calls are available in real time and as archived webcasts on the Company's website for a period of time.

The Board has a process for stockholders and others to send communications to the Board or any director. All such communications should be sent by mail addressed to the Board or any particular director at c/o Secretary, 9201 West Broadway Avenue, Suite 650, Minneapolis, MN 55445. All appropriate communications received by the Company's Secretary will be sent directly to the Board or to the particular director.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that applies to all employees, officers and directors, including the Chief Executive Officer, Chief Financial Officer and other executive and senior financial officers. The full text of the Code of Business Conduct and Ethics is available in the Documents & Charters section of the Investor Relations section of our website at ir.cvr.com/investor-relations. Information on or accessible through our website is not incorporated by reference in this Proxy Statement. The Company intends to disclose future amendments or waivers to the Code of Business Conduct and Ethics on its website or in public filings.

Anti-Hedging and Anti-Pledging Policy

The Board has approved an Insider Trading Policy that applies to all employees, officers and directors. Under this policy, all employees, officers and directors and their family members are prohibited from engaging in short-sales, transactions in put or call options or other derivative transactions, hedging transactions or other inherently speculative transactions in CVRx stock or pledging CVRx stock in any circumstance, including by purchasing CVRx stock on margin or holding CVRx stock in a margin account. With respect to the prohibition on hedging, the policy prohibits the purchase of any financial instrument, including prepaid variable forward contracts, equity swaps, zero cost collars and exchange funds that are designed to hedge or offset any decrease in the market value of CVRx stock; however, it does not prohibit participation in general portfolio diversification or investing in broad-based exchange funds.

DIRECTOR COMPENSATION

The directors play a critical role in guiding the Company's strategic direction and in overseeing the Company's management. The many responsibilities and risks and the substantial time commitment of being a director require that the Company provides adequate compensation commensurate with the directors' workload and opportunity costs. Non-employee directors receive a combination of annual cash retainers and annual grants of stock options.

In connection with the Company's initial public offering, it implemented a non-employee director compensation program, pursuant to which non-employee directors are eligible to receive annual cash retainers and equity awards in the form of stock options.

The following table is a summary of the current Director Compensation Program, which commenced in connection with the initial public offering.

PROPOSAL NO. 2: RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Grant Thornton LLP (“Grant Thornton”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022, and the Board is submitting this appointment to our stockholders for ratification at the Annual Meeting. Grant Thornton has served as the Company’s independent registered public accounting firm since 2016. Representatives of Grant Thornton plan to attend the Annual Meeting and will be available to answer appropriate questions from stockholders. They will have the opportunity to make a statement if they desire to do so.

Neither our By-Laws nor other governing documents or law require stockholder ratification of the appointment of Grant Thornton as the Company’s independent registered public accounting firm. However, the Board is submitting the appointment of Grant Thornton to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain Grant Thornton. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE RATIFICATION OF GRANT THORNTON AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022.

Report of the Audit Committee of the Board of Directors

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the preparation and integrity of the consolidated financial statements and the reporting process, including establishing and monitoring the system of internal financial controls. In this context, during fiscal year 2021, the Audit Committee met and held discussions with management and Grant Thornton, the Company's independent registered public accounting firm. The Company's management has represented to the Audit Committee that the Company's consolidated financial statements for the fiscal year ended December 31, 2021, were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the audited financial statements of the Company with management of the Company and with Grant Thornton.

In addition, the Audit Committee has reviewed and discussed with Grant Thornton: (i) the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB"), and the Securities and Exchange Commission (the "SEC"); and (ii) the written disclosures and the letter received from Grant Thornton required by applicable requirements of PCAOB regarding Grant Thornton's communications with the Audit Committee concerning independence and the independence of Grant Thornton from the Company and its management.

Based on the review and discussion referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Joseph Slattery, Chair
Kirk Nielson
Geoff Pardo

Assumptions used in the calculation of these amounts are included in Note 7 to our financial statements included in our annual report on Form 10-K for the year ended December 31, 2021. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. - (3) The amounts represent the annual cash incentive awards earned by each NEO.
- (4) The amounts reported in the All Other Compensation column for 2021 include \$6,604 for office lease payments paid directly by the Company for Mr. Yared in Coral Springs, Florida for the first six months of 2021 and \$607 for reimbursement of Mr. Yared's commuting expenses for 2021.

Narrative to Summary Compensation Table

2021 Base Salaries

Our NEOs receive a base salary to compensate them for services rendered to the Company. The base salary payable to each NEO is intended to provide a fixed component of compensation reflecting the NEO's skill set, experience, role and responsibilities. Initial base salaries for the NEOs were set forth in their respective employment agreements and are annually reviewed by the Compensation Committee. The

Compensation Committee approved initial base salaries for the NEOs for 2021 at the beginning of the year, and then adjusted the base salaries for Messrs. Yared and Oasheim in connection with the Company's initial public offering effective as of June 30, 2021. Base salaries for our NEOs for 2021 and 2020 are set forth below. Actual salary amounts paid to each NEO are set forth in the "Salary" column of the "Summary Compensation Table" above. Base salaries actually paid reflect the pro-rated amounts of base salary in effect for each portion of the year, where applicable.

Name	2021 Base Salary (Post-IPO) (\$)	2021 Base Salary (Pre-IPO) (\$)	2020 Base Salary (\$)
Nadim Yared	510,000	452,000	452,000
Paul Verrastro	350,000	350,000	—
Jared Oasheim	325,000	237,000	230,000

2021 Annual Incentive Awards

Our NEOs are eligible to receive a cash payment based on our achievement of certain financial and individual performance goals. Our NEO's and the Company's performance determine the amount, if any, of awards earned. Such awards are based on performance relative to the established targets, which are established annually by the Compensation Committee.

The Compensation Committee determined that the annual incentive opportunity for our NEOs in 2021 would be based on the Company's achievement of revenue and cash stewardship goals and operational goals including the sale of BAROSTIM units and enrollment in the BATwire trial, as well as successful completion of the Company's initial public offering. The weightings of the goals varied among our NEOs as reflected below:

Metric	Mr. Yared	Mr. Verrastro	Mr. Oasheim
Revenue	25%	25%	25%
Cash stewardship	10%	15%	20%
U.S. heart failure revenue units	25%	25%	20%
BATwire enrollment	10%	15%	5%
IPO financing	30%	20%	30%

Achievement against the stated goals is determined annually and can range from 0% to 150% of the portion of the target incentive amount attributed to each goal. The annual target incentive opportunities (expressed as a percentage of base salary) for 2021 for our NEOs were as follows, and, for the sake of clarity, our NEOs can earn more or less than target based on the achievement of the respective goals:

Name	Annual Target Incentive % of Base Salary (Post-IPO)	Annual Target Incentive % of Base Salary (Pre-IPO)
Nadim Yared	75%	70%
Paul Verrastro	50%	50%
Jared Oasheim	50%	35%

The 2021 annual cash incentive awards paid to our NEOs based on the Company's and individual performance results are set forth below. The target percentages are pro-rated amounts based on the different target levels in effect for each portion of the year, where applicable. Mr. Verrastro's payout was guaranteed at 100% of target for 2021 in connection with the terms of his original hire.

Name	Target Percentages (% of salary)	Target Award Value (\$)	Actual Award Paid (\$)	Paid Award (% of target)
Nadim Yared	73%	349,771	300,873	86%
Paul Verrastro	50%	174,142	175,000	100%
Jared Oasheim	44%	123,008	116,587	95%

The actual 2021 annual cash incentive award amounts that were paid in 2022 are included in the Summary Compensation Table in the column entitled "Non-Equity Incentive Plan Compensation."

2021 Stock Option Grants

The Company uses stock options as the primary incentive for long-term compensation to our NEOs. During 2021, the Compensation Committee granted stock options to the NEOs in January 2021 (Grant A and Grant B), some of which would become exercisable only in the event of the completion of the Company's initial public offering (Grant B), and in June 2021 at the time of the Company's initial public offering (Grant C), in the amounts set forth below:

Option	Nadim Yared (# of Shares)	Paul Verrastro (# of Shares)	Jared Oasheim (# of Shares)
Grant A	—	93,556	—
Grant B	50,570	30,342	30,342
Grant C	97,800	19,000	36,700
Total	148,370	142,898	67,042

All of the stock options will vest as to 25% of the shares on the first anniversary of the date of grant and as to 1/48th of the shares each month thereafter, provided that the Grant B options became exercisable only upon the completion of the Company's initial public offering.

Each NEO's unvested stock options generally terminate on his or her termination of employment for any reason, except that the unvested portion of the stock options will vest if the NEO's employment is terminated by the NEO due to Constructive Discharge or by us for any reason other than for Cause during the first six months following a Change in Control of the Company. For these purposes, Constructive Discharge and Cause are defined in the applicable award agreement and are consistent with the same terms included in executive employment agreements as described under "Employment Agreements" below.

Other Elements of Compensation

401(k) Plan

The Company currently maintains a 401(k)-retirement savings plan (the "401(k) Plan") for employees who satisfy certain eligibility requirements, including our NEOs. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) Plan. The Company believes that providing a vehicle for tax-deferred retirement savings through the 401(k) Plan adds to the overall desirability of our executive compensation package. The Company does not match employee contributions to the 401(k) Plan.

Other Employee Benefits and Perquisites

All of our full-time U.S.-based employees, including our NEOs, are eligible to participate in our health and welfare plans, including:

- medical, dental and vision benefits;
- medical and dependent care flexible spending accounts;
- short-term and long-term disability insurance; and
- life insurance.

The Company provides the statutorily required, country-specific health and welfare benefits to our European-based employees.

The Board approved Mr. Yared residing in a state other than where our principal office is located, due in part to the recognition of his extensive travel schedule. The Company provided him office space for the first six months of 2021 and provides reimbursement of his expenses for commuting to the Company's principal office, which we report the Summary Compensation Table in the column entitled "All Other Compensation."

Employment Agreements

The Company has entered into an employment agreement with each of our NEOs. Each employment agreement sets forth an initial annual base salary for the NEO and provides that the NEO's future annual base salary will be determined annually by the Compensation Committee. Each employment agreement is for an indefinite term and is terminable at will; provided that, 30 days advance notice must be provided in the event of a termination of the NEO's employment without Cause or in the event of the NEO's termination of employment due to resignation or Constructive Discharge. The terms "Cause" and "Constructive Discharge" are defined below.

In the event of the NEO's termination of employment without Cause or due to Constructive Discharge during the Protection Period, which is the period commencing three months preceding a Change in Control of the Company and ending 18 months following a Change in Control of the Company, the employment agreements provide for the NEO to receive a lump sum payment of 18 months' base salary in the case of Mr. Yared, 12 months' base salary in the case of Messrs. Verrastro and Oasheim and a lump sum payment of 150% of the current year's target annual bonus in the case of Mr. Yared, 100% of the current year's target annual bonus in the case of Messrs. Verrastro and Oasheim and reimbursement of medical insurance premiums for a period of 18 months in the case of Mr. Yared and 12 months in the case of Messrs. Verrastro and Oasheim. If there is no target bonus for the applicable NEO for the year of termination, the payment will be based on the average of the actual bonus paid to the executive in the three years preceding the termination. For these purposes, a Change in Control of the Company is defined substantially the same as in the 2021 Plan, described below.

In the event of the NEO's termination of employment without Cause or due to Constructive Discharge during the Protection Period, which is the period commencing three months preceding a Change in Control of the Company and ending 18 months following a Change in Control of the Company, the employment agreements provide for the NEO to receive a lump sum payment of 18 months' base salary in the case of Mr. Yared and 12 months' base salary in the case of Messrs. Verrastro and Oasheim and reimbursement of medical insurance premiums for a period of 18 months in the case of Mr. Yared and 12 months in the case of Messrs. Verrastro and Oasheim. In addition, all outstanding equity awards held by the NEO subject to time-based vesting will accelerate as of such termination of employment. The treatment of any equity awards subject to performance-based vesting will be as set forth in the applicable award agreements for such equity awards. For these purposes, a Change in Control of the Company is defined substantially the same as in the 2021 Plan.

As defined in the employment agreements, "Constructive Discharge" generally means (i) without the NEO's consent, the assignment of the NEO to employment responsibilities or duties which are of materially lesser status and degree of responsibility than the NEO's position, responsibilities or duties on the date when the NEO commenced employment; (ii) without the NEO's consent, the requirement that the NEO be based anywhere other than within 100 miles in the case of Mr. Yared (50 miles in the case of Messrs. Verrastro and Oasheim) of our office location on the date the NEO commenced employment; and (iii) a material reduction in the NEO's total compensation, including any bonus for which he is eligible, other than a reduction in compensation that is part of a general reduction in compensation for the Company's senior management.

As defined in the employment agreements, "Cause" generally means the NEO's (i) material breach of the NEO's proprietary information and noncompetition agreement with the Company; (ii) willful and reckless job-related material misconduct, including material failure to perform the NEO's duties as an officer or employee; (iii) commission of fraud, misappropriation or embezzlement in connection with the

Company's business; (iv) conviction of, or plead of nolo contendere to, criminal misconduct (excluding parking violations, occasional minor traffic violations, or similar infractions); or (v) established use of narcotics, liquor or illicit drugs having a detrimental effect on the performance of the NEO's employment responsibilities.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Party Transactions

The Board has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person had, has or will have a direct or indirect material interest, including without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, the Audit Committee is tasked to consider all relevant facts and circumstances, including but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction. All the transactions described in this section occurred prior to the adoption of this policy but are reviewed on a regular basis by the Audit Committee.

Related Party Transactions

The following is a description of transactions to which we were a party since January 1, 2021 in which the amount involved exceeded or will exceed \$120,000, and in which any of our executive officers, directors or holders of more than 5% of any class of our voting securities, or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest.

Investors' Rights Agreement

The Company entered into the eighth amended and restated investors' rights agreement (the "Investors' Rights Agreement") with the holders of the Company's outstanding convertible preferred stock, including entities with which certain of its directors are affiliated, and certain holders of common stock. Pursuant to the Investors' Rights Agreement, the parties thereto, which include certain of our directors and executive officers, and entities affiliated therewith, are entitled to rights with respect to the registration of their shares of the Company's common stock under the Securities Act.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for Notice or other proxy materials with respect to two or more stockholders sharing the same address by delivering a single Notice or other proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards.

A Notice or proxy materials will be delivered in one single envelope to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent with your broker. Upon written request to Secretary, CVRx, Inc., 9201 West Broadway Avenue, Suite 650, Minneapolis, MN 55445, or by telephone at (763) 416-2840, the Company will deliver promptly a separate copy of the Notice and, if applicable, proxy materials to any stockholder at a shared address to which it delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that the Company only send a single copy of the Notice and, if applicable, our proxy materials, please contact your broker if you are a beneficial holder through a broker, or, if you are a registered holder, contact our transfer agent, American Stock Transfer.
